

WELCOME

Help Keep Our Library Safe

Practice good hygiene

Wear your **face mask** properly. It must **cover your nose AND mouth**. If you do not have one, we will provide one.

Regularly **clean your hands**. Sanitizing stations are located throughout the library.

If you touch an item and are not checking it out, please **leave it on a designated cart** for staff to sanitize.

Follow all signs and directions as things have changed throughout the building.

Stay 6 feet away from everyone who is not in your household.

Spend less than 30 minutes in the building

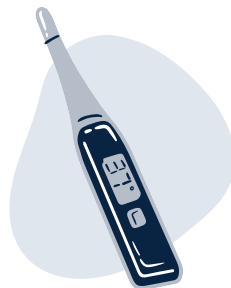

If you can't find something, give us a call! We will place your items on hold for curbside pickup.

Limit your contact with staff by using our **self-check machines** or our new **mobile checkout app!**

Stay home if...

- You are **feeling sick**
- You have a **sick family member** at home

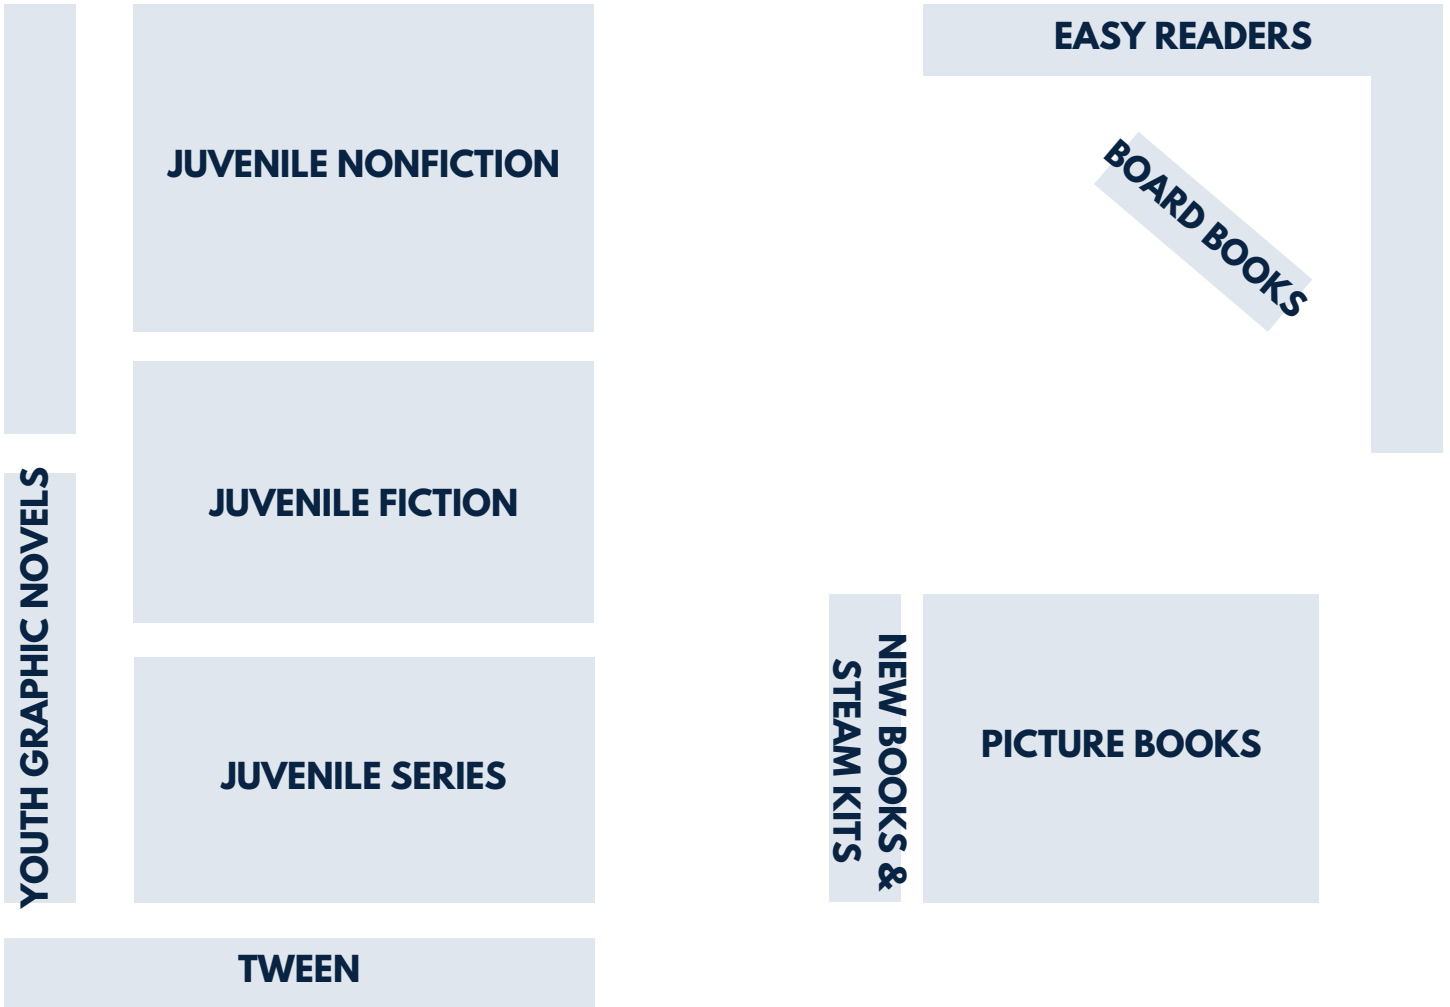

Next time, try to BOOK IT!

We can take care of most of your needs from home. Try **curbside pickup, home delivery, remote printing, and computer checkouts** instead of exposing yourself and staff.
